<b>Total Additions for the Period (Sum of Expansion, Equipment &amp; Other Additions)</b>	<b>\$2,887,008</b>

**Home Office Allocation**

Describe the <b>methodology</b> used to allocate home office costs to the hospital	
The corporate overhead expenses are allocated on a monthly basis to the facility based on their monthly operating costs as a percentage of the total monthly operating costs.	

**Community Benefits Structure**

Hospital Mission Statement	Our mission at Spring Valley Hospital Medical Center is to provide a culture of excellence where committed employees, physicians, and volunteers deliver safe quality patient care to our community.
Hospital Vision	Our vision is to be the healthcare provider and employer of choice for the Las Vegas community.
Hospital Values	<b>People</b> - Our employees and volunteers are our most important asset. <b>Service</b> - We provide professional, effective, and efficient service to all of our customers. <b>Quality</b> - We provide care and comfort to people in need by continuously improving our services and patient safety. <b>Growth</b> - We continually expand access to health services by investing in the development of new, improved, and safer ways of delivering care. <b>Finance</b> - We invest financial resources locally to support our mission and vision.
Hospital Community Benefit Plan (groups to target, decision makers, goals)	Spring Valley Hospital Medical center is committed to learning about and understanding the immediate community. The hospital will continuously participate in activities and events to develop "grass roots" relationships with schools, community centers, churches and organizations, both in Spring Valley, Southwest Las Vegas and Pahrump. Focuses include political dignitaries and community leaders, with which hospital administrative representatives will meet and communicate regularly.
