List and briefly explain educational classes offered
Throughout the year, Desert Springs Hospital offers hospital-based educational seminars through our senior advantage program on a variety of health topics – cardiology, stroke/neuro, internal health, etc. The classes are free to the community.
Bariatric surgery seminars – an educational forum to learn more about the surgery, risks, preparation, etc.
Diabetes education – a wide range of classes are available (for a fee).

List and briefly describe other community benefits provided to the community for which the costs cannot be captured
Valley Health System community relations coordinators work with area businesses, agencies and non-profit organizations to participate in health fairs and offer free guest speakers at workplaces.
